BATH TIME

Tell your child to choose a plastic toy friend to add to bath time. Make some soap suds with bubble bath or use shaving cream and spread it along the edge of the tub. Make a path with your finger for your child to follow with their toy friend. Tell your child that the path will show their friend the way to go. Continue making new paths for your child's toy to follow. As your child plays say, "Who taught Gideon the way to go in the Bible? God did!"
